

Partnership Agreement
Between
Region 8 Education Service Center
ACE Program
And
Morris County Collaborative

This agreement between Region 8 ESC ACE and the Morris county Collaborative is a partnership in providing services that will support ACE families and their children in having a self-reliant life and academic success.

Region ESC will provide a safe location for after school programming. Region 8 will provide a full time site coordinator to coordinate programming, personnel, scheduling, and purchasing of necessary supplies.

The Morris County Collaborative will provide a local familiarity and contacts with the venue as well as a wealth of resources to support the afterschool program goals.
